

Questions	Answers	Sources	URL
How do I obtain my Cal 1 Card (student ID)?	Students can obtain a Cal 1 Card by completing the online application process after activating their CalNet ID. Once the application is approved, students can pick up their card at the Cal 1 Card Office by presenting a valid government-issued photo ID. The Cal 1 Card serves as the official UC Berkeley identification card and provides access to campus services and facilities.	Cal 1 Card Office	A1
Where can I find information about campus libraries?	Information about UC Berkeley libraries, including library locations, services, borrowing policies, collections, study spaces, research support, and operating hours, can be found on the official UC Berkeley Library website.	UC Berkeley Library	A2
What are the opening hours of Moffitt Library?	Moffitt Library hours vary throughout the academic year and during holidays. Students should check the UC Berkeley Library Hours page for the most up-to-date schedule before visiting.	UC Berkeley Library	A3
How can I connect to the campus Wi-Fi?	UC Berkeley provides several wireless networks, including eduroam, CalVisitor, and Berkeley-IoT. Students should connect to eduroam using their CalNet ID credentials for secure access to campus wireless services.	Student Technology Services	A4
What is the difference between eduroam and Berkeley-Visitor Wi-Fi?	Eduroam is a secure wireless network intended for UC Berkeley students, faculty, staff, and visitors from participating institutions using institutional credentials. Berkeley-Visitor (or CalVisitor) is designed for campus guests who do not have CalNet credentials and provides temporary internet access without requiring a university account.	Student Technology Services	A5
Where can I print documents on campus?	Students can print documents at multiple locations across campus, including UC Berkeley Libraries and designated student computing labs. Printing services are available through campus-managed printing systems, and some locations require a Cal 1 Card or CalNet authentication.	Student Tech Services	A6
Where can I scan documents on campus?	Scanning services are available at many UC Berkeley library locations through self-service scanners and multifunction printers. Students can scan documents and save them to email, cloud storage, or a USB drive depending on the equipment available.	UC Berkeley Library	A7
How do I borrow	Students can borrow library materials by presenting their Cal 1	UC Berkeley Library	A8

books from the UC Berkeley Library?	Card. Loan periods and borrowing privileges vary depending on the user's affiliation and the type of material. Library materials can be searched and requested through the UC Library Search system.		
Where can I find a quiet study space on campus?	Quiet study spaces are available throughout UC Berkeley Libraries, including Moffitt Library and other campus libraries. Students can also use designated silent reading rooms and reservable study spaces listed on the UC Berkeley Library website.	UC Berkeley Library	A9
What should I do if I lose my Cal 1 Card?	If a Cal 1 Card is lost or stolen, students should immediately deactivate the card through the Cal 1 Card Office and request a replacement. A replacement fee may apply. The Cal 1 Card Office provides instructions for reporting and replacing lost cards.	Cal 1 Card Office	A10
Where is University Health Services located?	University Health Services (UHS), also known as the Tang Center, is located at 2222 Bancroft Way, Berkeley, CA 94720. The Tang Center is situated on the southwest corner of the UC Berkeley campus between Ellsworth Street and Fulton Street (Oxford Street). It provides medical care, counseling, pharmacy, radiology, and other health services for students.	University Health Services (Tang Center)	A11
How can I schedule an appointment with University Health Services?	Students can schedule appointments through the MyUCBerkeleyHealth online portal or by calling University Health Services. Most medical services require an appointment, while urgent medical concerns can be addressed through Urgent Care or the 24/7 Advice Nurse.	University Health Services	A12
Where can I get technical support for my laptop or software?	Students can receive technical support through Student Technology Services (STS). STS provides assistance with personal devices, software installation, Wi-Fi connectivity, CalNet accounts, and other technology-related issues available to UC Berkeley students.	Student Technology Services	A13
How do I reset my CalNet password?	Students can manage their CalNet account, including resetting their password, through the CalNet Identity and Access Management website. Identity verification may be required before a new password can be created. The CalNet portal also allows users to manage two-step verification and other account security settings.	CalNet Identity and Access Management	A14
Where can I find campus computer labs?	Campus computer labs are available across UC Berkeley through libraries, academic departments, and Student Technology Services. Information about locations, available software, and operating hours can be found on the Student	Student Technology Services	A15

	Technology Services website.		
Where can I park on campus as a student or visitor?	UC Berkeley offers parking for students, faculty, staff, and visitors in designated campus parking structures and lots. Visitors may use hourly parking where available, while students with eligible permits can park in assigned permit lots. Parking information, permit requirements, and visitor parking locations are provided by Berkeley Parking & Transportation.	Berkeley Parking & Transportation	A16
Is there a campus shuttle service available?	Yes. UC Berkeley operates campus shuttle services that connect various campus locations. Additional transportation services, including accessible transportation options, are available for eligible students. Shuttle routes and schedules are provided by Berkeley Parking & Transportation.	Berkeley Parking & Transportation	A17
How can I travel from Downtown Berkeley BART station to the UC Berkeley campus?	The Downtown Berkeley BART station is within walking distance of the UC Berkeley campus. Students may also use AC Transit buses or campus shuttle services to reach destinations across campus from the station.	Berkeley Parking & Transportation	A18
Where can I find an official UC Berkeley campus map?	UC Berkeley provides an official interactive campus map that includes academic buildings, libraries, residence halls, dining locations, parking facilities, accessibility information, and other campus resources.	UC Berkeley Campus Map	A19
Where are the major dining halls on campus?	UC Berkeley Dining operates several dining commons, including Crossroads, Café 3, Clark Kerr, and Foothill. Information about dining hall locations, meal plans, menus, and operating hours is available on the Berkeley Dining website.	Berkeley Dining	A20
Are there vegetarian or vegan dining options on campus?	Yes. UC Berkeley Dining offers vegetarian and vegan meal options at all campus dining commons. Students can view daily menus online and filter meals by dietary preference, including vegetarian and vegan options. Menu signage also identifies vegetarian (V) and vegan (VG) items. In addition, each dining commons provides plant-based protein options, and allergen-friendly stations offer hot vegan meals daily.	Berkeley Dining	A21
Where can I refill my water bottle on campus?	Filtered water refill stations are located throughout the UC Berkeley campus in academic buildings, libraries, and other public facilities. Students can use the Berkeley Food Institute's Foodscape Map to locate nearby water refill stations and plan convenient places to refill reusable water bottles while on campus.	Berkeley Food Institute – Foodscape Map	A22
What recreational	UC Berkeley offers a variety of recreational facilities for	UC Berkeley	A23

facilities are available to students?	students, including the Recreational Sports Facility (RSF), swimming pools, tennis courts, climbing walls, fitness centers, recreational fields, and outdoor adventure programs. Recreational Sports also offers group fitness classes, intramural sports, and sports clubs.	Recreational Wellness	
How can I access the Recreational Sports Facility (RSF)?	Eligible UC Berkeley students can access the Recreational Sports Facility (RSF) using their Cal 1 Card. Membership is included for most registered students who pay the required campus fees. Visitors and affiliates may purchase memberships or day passes if eligible.	UC Berkeley Recreational Wellness	A24
Where can I find academic advising services?	Academic advising is available through college advising offices, departmental advisors, and specialized student support programs. Students can locate the appropriate advising office based on their college or major through the UC Berkeley Academic Guide and advising websites.	UC Berkeley Letters & Science Advising	A25
How do I contact Cal Student Central?	Students can contact Cal Student Central by submitting an online case, scheduling a virtual or in-person appointment, or visiting the office during business hours. Cal Student Central assists with financial aid, billing, registration, residency, and enrollment services.	Cal Student Central	A26
Where can I find information about student organizations?	Information about registered student organizations is available through the LEAD Center. Students can explore organizations by interest, attend involvement fairs, and learn how to join or start a student organization using the LEAD Center's online resources.	LEAD Center	A27
How can I find upcoming campus events?	Upcoming campus events, lectures, workshops, performances, and student activities are listed on the official UC Berkeley Events Calendar. Students can search events by date, topic, audience, or campus department.	UC Berkeley Events Calendar	A28
Where can I find accessibility resources for students with disabilities?	The Disabled Students' Program (DSP) provides accommodations and accessibility services for eligible students with disabilities. Services include academic accommodations, assistive technology, alternative media, accessible housing support, and advising. Students can find eligibility information and request accommodations through the DSP website.	Disabled Students' Program (DSP)	A29
Where can I find emergency contact and campus safety information?	Emergency contact information and campus safety resources are available through the UC Berkeley Police Department (UCPD). The website provides emergency phone numbers, crime alerts, safety escorts, emergency preparedness information, and procedures for reporting emergencies or suspicious activity.	UC Berkeley Police Department (UCPD)	A30
